The Walking Tours presented in these pamphlets have been designed for the TOUR OPERATOR (on the website called TRAVEL AGENT) through direct access to the website provided by MTJ Japan. Here, it is possible to register and, upon approval by MTJ, proceed with direct booking of the chosen WALKING TOURS. Walking Tours and other services booked on the given website for each client and/or group of clients generate a TRIP. Each TRIP contains all the services reserved for each client and/or client group.

The TOUR OPERATOR will provide the client(s) with the reference of the TRIP.

The client will need to download the APP, register, and by entering the TRIP number, will be able to take advantage of the services booked by their TOUR OPERATOR.
